A Multi-Billion Dollar Healthcare Marketing Opportunity

Newly released data from the Census Bureau shows current U.S. Healthcare Construction at a robust \$52.06B.

News That Readers Use

HC+O News is the source of industry news for the nation's healthcare construction and operations industry decision makers. Readers receive the most important news about trends, technologies and best practices, with articles on facility design, construction, maintenance and operations. It is a unique, comprehensive and concise market snapshot that readers rely on to help them make better business and operations decisions.

The Best Read in the Industry

The ability of any media to successfully impact your marketing efforts ultimately depends on readership. The greater the readership, the greater the chance your ad will reach its target audience. For a decade, *HC+O News* has been the must read for industry professionals and the best-read electronic vertical in the market.

Unique Editorial Offerings

Facility Focus

The NewsWires often showcase a Feature Focus that applies best practices for design, construction, maintenance and operations.

Lists & Branded Content

Increase your company's visibility with one of *HC+O News*' annual lists or with branded content.

Each issue of *HC+O News* provides a comprehensive market snapshot of breaking news nationwide, trends and best practices that can lead to better business and operational decisions. Our readership of more than 13,000+ subscribers includes facility operators, managers and administrators, together with architects, engineers, maintenance personnel, suppliers and contractors.
